

BP, ExxonMobil, Total and other Fortune 500® companies choose Jeff Reynolds. *Why?*

Because of his integrity and perseverance in assembling the factual record, his ability to communicate core themes to juries, his access to a superb network of outside experts, his complete dedication to his clients' interests and his sane approach to legal costs. Details are at jprpa.com.

Jeff Reynolds is the President of Jeffery P. Reynolds, P.A., a four-attorney boutique litigation firm in Jackson, MS.

Litigation Expertise

“There is no other lawyer I would rather have on my side than Jeff. I wish I could clone him.”

— Lynn Bortka, In-House Attorney, BP – Retired

Cost Effectiveness

“Jeff brings sanity to the matter of what a company should pay for top tier outside counsel.”

— James Baine, In-House Counsel, Murphy Oil – Retired

Big Wins

“Jeffery is an excellent trial attorney who delivered great results for TOTAL E&P in a high stakes case.”

— Thomas Ryan, Senior Counsel, Compliance & Social Responsibility, TOTAL S.A. (formerly General Counsel of TOTAL E&P USA, INC.)

“Your legal experience, coupled with your business-wise common sense are a lethal combination that has served our company well. Thank you for being a good steward of our time and money and helping us achieve our financial goals.”

— Tom Evans, Executive Vice President, Chief Operating Officer, Delta Industries, Inc.
